

Cleethorpes Academy

PROVIDER ACCESS POLICY

September 2019

Introduction

This policy statement sets out the Academy's arrangements for managing the access of providers to pupils at the Academy for the purpose of giving them information about the provider's education or training offer. This complies with the Academy's legal obligations under Section 42B of the Education Act 1997.

Pupil entitlement

All pupils in years 8-11 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events;
- to understand how to make applications for the full range of academic and technical courses.

Management of provider access requests

Procedure

A provider wishing to request access should contact
Ben Pharaoh - Assistant Principal - Careers Lead
Telephone 01472 582310

Opportunities for access

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school to speak to pupils and/or their parents/carers, and to give students and parents/carers access to careers guidance and information.

	Autumn Term	Spring Term	Summer Term
Year 8	<p>Access to START profile careers site.</p>	<p>Careers group work led by in house careers consultant and Citizenship staff.</p> <p>GCSE Options evening-careers information available careers advice.</p> <p>'Here for you'- Careers advise weekly drop in.</p> <p>Access to START profile careers site.</p> <p>Beginning to progress towards Employability Passport (with Humber Local Enterprise Partnership and Humber Learning Consortium)</p> <p>Careers Day - with employers and providers from local and national institutions. Premises and facilities

The Academy will make the halls or classrooms available for discussions between the provider and students, as appropriate to the activity. The Academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to leave a copy of their prospectus or other relevant course literature with the Curriculum Leader.
